Dear Business partner,

Please find below our new contact details for electronic invoices:

Name, unit	Reception address	Service provider	Service provider's address	Service provider's identifier
Teknologiateollisuuden työntajat ry	003732028059	Basware Oyj	003705925424	BAWCFI22

In case you are not able to send electronic invoices, please mail your invoices to our **scanning services (address below)**:

Teknologiateollisuuden työntajat ry

PL 7344

00021 Laskutus

Or by email either using PDF or TIF file to the following email address:

10.FI.P.150664-1@docinbound.com

Please notice that the invoice must include the address with P.O.Box address (not just the envelope) for scanning to be able to accurately route the invoice to the correct recipient. For faster processing, we recommend that you also identify the person who made the order.

The address above is only for paper invoices. All the other contact details remain the same as before.
